**President's Message**

By: Dorothy Nichols

I have three introductions to give to you this time.

Our Thursday MC is someone you already know: **Duane LeTourneau**. He is a remarkable man, active in many organizations in which he has done a great deal of good for the community: the **Historical Society**, the **Moscow Lions**, and the **Mayor's Task Force for the 1912 Building**, to name a few.

He was born in **Stillwater, Minnesota**, and educated at the **University of Minnesota**. He married **Phyllis** in 1947 and moved to **Moscow** in 1953 to work at the **University of Idaho**. They have three children, and I'm always surprised when I can reach him by phone because he has fingers in so many pies. (Does that make for sticky fingers, Duane?)

The newcomer to the **Friendly Neighbors'** staff is **Karen Murray**, our new Assistant Cook. She lives on Palouse River Drive and worked as a waitress while in college, where she earned a Bachelor of Science degree in Psychology. She owned a restaurant in **Spokane** in the late 1980's so she has plenty of restaurant experience. She has worked with **Larry Kirkland's** family and comes with his high recommendation. Another plus is that she has volunteered in the kitchen at our meal site, so she is familiar with our operation.

Our third new person is **Linda Pike**, who is the new RSVP coordinator. She is a **Moscow**

attorney and acts as a pro bono legal consultant for **Friendly Neighbors** and other seniors, (for which we are extremely grateful.) **Duane LeTourneau**, who has worked with her on several civic projects, recommended her for the position. **Linda** is friendly and easy to talk with, so introduce yourself to her when you see her in the **Moscow Senior Center** or at lunch.

Besides these three pieces of good news, I have saved the best for last: the old-fashioned colder climatic custom of having our delicious, nutritious soup is about to restart. Hot soup will be served before lunch starting on October 16, a mere few weeks away. Yum!!! *Dorothy Nichols*

**A Special Thank You!**

The Friendly Neighbors Meal Site would especially like to say a very special THANK YOU to the persons and business that give us assistance when we did not have access to our refrigeration.

We received a large shipment of frozen commodities that was more than our freezer capacity could handle and we had to immediately find additional storage space. **Tom Newbre (Bob's son)** took a large part of the shipment, **C & L Lockers (Celia and Jim Boland)** provided free storage for the remainder of the shipment over the weekend, and **Jim Maley** and **Betty Gibb** took all the materials from **C & L Lockers** the following Monday. **Mike & Bernita Linderman** and others helped unload on the afternoon when the shipment arrived at the 1912 Center. The shipment was expected to

arrive earlier in the day when the kitchen would have been open.

### In Memory of Our Neighbors

Our Friend and member of ***Friendly Neighbors***, Ted (Theodore) Dockter died Friday evening, August 29, 2003, at ***Latah Health Services***. He was 87 years of age. Until recently **Ted** was in attendance at most ***Friendly Neighbors'*** meals. He was a gentle man and will be missed by all. Services were held at Emanuel Lutheran Church on Thursday September 2, 2003.

Nancy Lee Howard was a reliable member of the ***Friendly Neighbors' Meal Site***. She died suddenly of a heart related event on Sunday, September 7, 2003, at her farm home between ***Pullman*** and ***Moscow***. We remember her as always smiling and being friendly to everyone. We will miss her presence among us. Her funeral was Monday, September 15, at the Moscow Church of the Nazarene.

I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.
